

Team #10 – L'Ecuyer

Partnership: VINCENT DEMUY/NICK L'ECUYER

-we play transfer responses to our 1 club opening bid (the 1Cl opening bid could be as short as 2 diamonds and may contain longer diamonds in a balanced hand)

-1D response shows hearts

-1H response shows spades

-1Sp response denies a Major and usually shows diamonds

-1NT is natural

Our suggested defense is:

-X of the transfer bid is TAKE OUT of the alleged suit (therefore includes support for clubs)

-bidding the alleged suit shows the other 2 suits (like a normal take out double of 1Cl - 1 alleged suit)

-the double of 1Sp is strictly take out and shows the majors

ALL other bids are natural.
